### Regulations

See the General Regulations section of this Calendar, and the regulations of the participating unit.

# Admission

Admission to the collaborative master's program in Accessibility is available to master's students who are admitted in one of the participating master's programs. To apply to one of the participating master's programs, please visit the Faculty of Graduate and Postdoctoral Affairs Admissions page.

# Accessibility (ACCS) Courses

#### ACCS 5001 [0.5 credit] Critical Disability Studies

Course engages disability theory, culture, and activism to consider bodily difference and its relation to the workings of power and social control, accessibility, normalization, ableism, and medicalization. Students will gain an understanding of the contemporary debates, theories, and methodologies of critical disability studies. Also listed as SOCI 5401.

# ACCS 5002 [0.5 credit]

#### Accessibility and Inclusive Design Seminar

Provides foundational knowledge, exploring interdisciplinary approaches for incorporating accessible, inclusive, and human-centred design principles into the research, design, and development of products, information, and environments that can be used by all people, regardless of ability. Includes: Experiential Learning Activity

Also listed as IDES 5104.
