

# Certificate in Multidisciplinary Studies in Mental Health and Well-Being

---

## Admission Requirements

To be eligible for admission to the Certificate in Multidisciplinary Studies in Mental Health and Well-Being, applicants must:

- have successfully completed any undergraduate degree; or
- have successfully completed any college diploma with a minimum grade of B; or
- be currently enrolled and *Eligible to Continue*, and meeting the CGPA thresholds defined in Section 3.1.9 of the *Academic Regulations of the University*, in any degree offered at Carleton.

Note: Students who are currently enrolled in, or have graduated from, a degree in Psychology with the Stream in Mental Health and Well-Being are not eligible for this program. Students who hold a degree in Psychology may be required to take additional credits to fulfill the certificate residency requirement; see Section 2.2.2 of the *Academic Regulations of the University*, Minimum Number of Residency Credits.
